

December 4: How Many Kings by downhere

Pray: *Heavenly Father, give us the strength to recognize that there is no one like you. Give us the power to be still and let You in, to let us follow you without hesitating, to let you love us without us moving away, and to let us appreciate your greatness. I pray this all in your name,*

Amen.

Read: “For God so loved the world, that he gave his one and only son that whoever loves him shall not perish but have eternal life.” John 3:16

How many kings? How many kings love us so much? To forgive our every sin. To save us from ourselves. To get off their throne because they love us so much. To heal the sick, the woman with the bleeding disease. To the heal the broken, the broken-hearted, the broken in spirit. How many kings love us so much that they give everything to come down to the earth? To come in on a donkey, on the dirty streets. Not just come and say “hi” but live a human life with us. From rich to poor, from everything to nothing. He didn’t come down to be royalty or to the wealthy people. He hung out with the poor. He gave love to the Samaritans. The group of people that the Jews did not get along with. He loved them.

How many kings come down? To give us salvation, to save us from sin and temptation. From us living in the flesh, to teach us to live in the Spirit. To teach us to have an open heart and teachable spirit.

How many kings love us so much to give us mercy? To love our every flaw and imperfection. To not point it out, but love it. Help you feel comfortable in your own skin.

How many kings would rather be on earth helping us than upon a throne? How many kings are almighty like him, have the power like him, and come down from heaven? How many fathers gave their sons for me? How many? He loves us so much that he gave his one and only son for us. Only one is that great and powerful. Only One loves us that much. No one loves everything about us like our Almighty King. He gave His one and only Son and sacrificed Him for us. So our sins would be cleaned. So we could start anew. All we have to do is believe and we get eternal life. That doesn't seem that fair but our King is so great, that is all He asks of us.

How many kings give us that trade? It doesn’t matter our background, only matters our present, what we are doing, if we sin, he gives us that chance to make it. He encourages us to do better. He gives us the room to grow and learn and helps every step of the way. That’s what this song means to me.
